Education ‖

Technocrats Institute of Technology Bhopal M.P　　　　　　　　　　　**2022 - 2026**
- CSE | CGPA: **8.2**

Internship

Healthorate | Front-end intern **Certificate**　　　　　　　　　　**Feb'25 – May'25**
- Assisting in the development of **responsive** and **user-friendly** web interfaces for the Healthorate platform.
- Translating **UI/UX** designs into clean and efficient code using **HTML**, **CSS**, **JavaScript**, and **React**.
- Collaborating with the design and backend teams to ensure **seamless integration** and **optimal** performance
- Participating in **code reviews**, **troubleshooting**, and **implementing** feedback to improve the overall frontend architecture.

Projects

Beat-Diary (M.P police) link　　　　　　　　　　　　　　　　**Feb'25-May'25**
- Developed secure Restful APIs using **Node.js** and **Express.js** for managing police records and operations.
- Utilized **MongoDB** to store dynamic police data including criminals, hostels, hospitals, and crime locations.
- Integrated **Cloudinary** for seamless image upload and retrieval of criminal and incident-related media files.

CareSpaceX link　　　　　　　　　　　　　　　　　　　　**Dec'24-Feb'25**
- Developed frontend pages using **React**, ensuring responsive design and seamless user experience for health platform.
- Built backend with **Node.js, Express**, and **MongoDB** to manage user data, appointments, and doctors.
- Integrated **Nodemailer** for email-based authentication and **Razorpay** payment gateway for secure, efficient online transactions.

Event management site link　　　　　　　　　　　　　　　　　**Oct'24-Nov'24**
- Built backend with **Node.js** and **Express.js** for event platform enabling registration and event hosting.
- Integrated user **authentication** and optimized performance for **secure**, **scalable**, and **efficient** event management system.

Technical Exposure

Front-end: HTML, CSS, JavaScript, Tailwind CSS, React.js
Back-end: Node.js, Express.js
Database: MongoDB, MySQL
Language: Java (Intermediate), JavaScript
Cloud Platforms: Microsoft Azure (App Services, Azure Functions, Azure SQL)
Core Concepts: DSA, OOPs, DBMS

Co-curriculum Achievements

- Certified in Microsoft Azure Fundamentals (**link**)
- Runner up of Devhack 6.0 organised by IIT Dharwad (National Level Hackathons)
- 2nd Runner-Up in Technostorm, intercollege event organized by T&P cell
- Solve 1000+ problems of Codechef, achieved Diamond badge on codechef
- Solve 500+ problems on Leetcode , Maintain streak of 100+days on Leetcode.

Positions of Responsibility

Student council / Coding club | Coordinator　　　　　　　　　　**Jun'24 - Present**
- Organizes meetings and events, ensuring smooth club operations.
- Recruits members and promotes the club within the collage
